Help Our Students
Lower Cape Children Need Your Help
This Year, More than Ever!

A PROGRAM OF THE
HOMELESS PREVENTION COUNCIL

Accepting donations of new school supplies and backpacks for grades K-5.

Let us do the shopping for you!
With so much uncertainty about the format of school this year, HPC greatly appreciates contributions to support the purchase of school supplies for local students on the Lower Cape. You can make a donation by visiting our Backpack-to-School website at give.Classy.org/Backpack2020 or by mailing us your check with "Backpack" written on the memo, or dropping your contribution off at our office!

Dear Friend of HPC,

It's that time of year! Our kids will be heading back to school, online, in person or in a hybrid model of learning. Some of our Lower Cape families will be struggling more than ever before—and many new families will be reaching out to HPC for help for the first time. More resources will be needed to create a safe and successful year for everyone.

While we greatly appreciate your donation of schools supplies, we know schools may need to quickly transition learning to protect public health. Your financial contributions mean we can work with our partner organizations to purchase supplies to support online learning and other needs our kids will have. Please help us help our students in need feel just as prepared as their peers on the first day of school!

Each and every year you do an amazing job helping us help local kids get off to a great start. This program is only possible because of your support.

Be well,

Maureen Linehan
Backpack-to-School Coordinator

This year, we are in need of:

- Donations made by cash or check
- Small hand sanitizers and Purell wipes
- Children's and adult face masks
- Blue or black pens
- Highlighters
- Crayola Crayons
- #2 Pencils
- Glue sticks
- Kleenex
- Spiral note pads

Beginning 8/1, there will be collection bins outside the HPC office at 14 Old Tote Road in Orleans to maintain physical distancing.

This year's program runs from 8/1 - 8/31
